Agenda & Key Decisions

1. NBA (PG) Accreditation Status Review

- All PG programs awarded NBA accreditation. Follow-up: consolidate documentation, student project evidence, and alumni interaction logs.
- Encourage departments to apply for *UG Tier-I NBA Accreditation*.

2. Placement Enhancement Measures

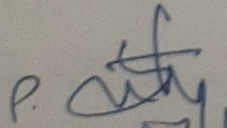

- AI/ML Placement Trends shared:
 - Rise in demand for LLMs, vector databases, and prompt engineering
 - Technical Interview training sessions on system design, DSA, and use-case analytics planned.
- 958 offers reported. Goal for next year: >1000 offers with at least 10% in core R&D roles.

3. Professional Societies and Outreach Events

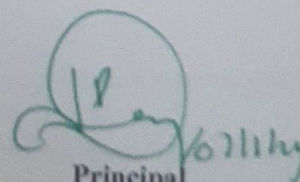

- Status of events by IEEE, ISTE, IEI, and CSI reviewed.
- Departments to link professional society activities with SDGs (Sustainable Development Goals) for NAAC qualitative metrics.

4. Upcoming International Conferences

- Planning underway for international conference tracks by December 2024
- Proposed themes:
 - AI in Smart Healthcare
 - Advanced Materials and Manufacturing
 - Cybersecurity in Critical Infrastructure
